

Pendant

## SEQUENCE – 341810208

incl. 1x SMD, 45W · 1x 5600lm,  
2300+3000+4000K

- Dimmable via switch
- Ceiling mounting
- IP20
- Adjustable in height
- Colours directly adjustable at the lamp

The eye-catching and at the same time graceful design of the SEQUENCE luminaire series will be the eye-catcher in your home. The pendant luminaire in spiral form has an integrated SWITCH dimmer that switches the luminaire to three brightness levels (100%, 50% and 25%) using a conventional light switch. Using the additional DIP SWITCH function, three light colours (warm white, neutral white, daylight white) can be set via a switch directly on the luminaire. The elegant combination of black matt and brass matt metal creates special light accents and creates new favourite places in your home. In addition, the luminaire features modern LED technology, which is characterised by high light quality and energy efficiency. Compared to conventional halogen lamps, up to 80% of energy costs can be saved. In addition, LED lamps help you benefit from a long service life, low heat generation and at the same time protect the environment.

### Material construction

Aluminium · Gold

### Product dimensions

Width: 104cm  
Height: 150cm  
Depth: 16cm  
Weight: 1,4kg

### Technical data

Light source: SMD – LED (integrated)  
Watt: 45W  
Lumen: 1x 5600lm  
Kelvin: 2300+3000+4000K  
Color rendering (CRI): > 80 CRI  
Lifetime: 30000H  
Switching cycles: 15000x ON/OFF
