

Table lamp

## ENZO – R50781007

excl. 1x E27 · max. 10W

- **Switch**
- **IP20**
- **Lamp(s) not included**

The minimalist and discreet design of the ENZO is convincing and skilfully sets the scene for your interior design. The table lamp is ideal for optimally illuminating certain work areas. Also as a bedside lamp, ENZO promises a great and effective light. The switch on the luminaire base ensures that it is easy to switch on and off. Designed in matt nickel, the table lamp perfectly rounds off modern furnishing styles. For energy-saving lighting, it is recommended to use an LED illuminant. These are an optimal alternative to conventional halogen lamps and stand for a high quality of light and energy savings of up to 80%. In addition, LED lamps help you benefit from a long service life, low heat generation and at the same time protect the environment.
