The RIGIDO ceiling light convinces with its straight-lined design and becomes a statement on every ceiling. The soft and glare-free lighting of the RIGIDO is perfect for the living room or for inviting entrance areas. The remote control included in the scope of delivery dims the light and adjusts the light colour of the luminaire continuously. The geometric look in matt black is absolutely modern and stylish. In addition, the luminaire features modern LED technology, which is characterised by high light quality and energy efficiency. Compared to conventional halogen lamps, up to 80% of energy costs can be saved. In addition, LED light sources have a long service life, produce less heat and protect the environment.⌧
