The META ceiling lamp with its special wooden design enhances the feel-good atmosphere in your home and at the same time becomes an eye-catcher on the ceiling of your hallway, living room or bedroom. The cover made of high-quality plastic emits a pleasant glare-free light and sets your living area stylishly in scene as a soft light source. In addition, the integrated SWITCH dimmer enables different brightness levels and provides suitable lighting moods. The colour design in matt black in combination with the light wood provides modern, homely accents. In addition, the luminaire features modern LED technology, which is characterised by high light quality and energy efficiency. Compared to conventional halogen lamps, up to 80% of energy costs can be saved. In addition, LED light sources have a long service life, produce less heat and protect the environment.
