

Wall lamp

SEQUENCE – 241810208

incl. 1x SMD, 22W · 1x 2800lm,
2300+3000+4000K

- **Dimmable via switch**
- **Wall- & ceiling mounting**
- **IP20**
- **Colours directly adjustable at the lamp**

The eye-catching and at the same time graceful design of the SEQUENCE luminaire series will be the eye-catcher in your home. The wall lamp in spiral form has an integrated SWITCH dimmer that switches the lamp to three brightness levels (100%, 50% and 25%) using a conventional light switch. Using the additional DIP SWITCH function, three light colours (warm white, neutral white, daylight white) can be set via a switch directly on the luminaire. The elegant combination of black matt and brass matt metal creates special light accents and creates new favourite places in your home. In addition, the luminaire features modern LED technology, which is characterised by high light quality and energy efficiency. Compared to conventional halogen lamps, up to 80% of energy costs can be saved. In addition, LED lamps help you benefit from a long service life, low heat generation and at the same time protect the environment.

Material construction

Aluminium · Brass mat

Product dimensions

Width: 13cm
Height: 47cm
Weight: 0,9kg

Technical data

Light source: SMD – LED (integrated)
Watt: 22W
Lumen: 1x 2800lm
Kelvin: 2300+3000+4000K
Color rendering (CRI): > 80 CRI
Lifetime: 30000H
Switching cycles: 15000x ON/OFF
