

Pendant

BLAZE – 341210305

incl. 1x SMD, 35W · 1x 4300lm,
2300+3000+4000K

- Dimmable via switch
- Ceiling mounting
- Not suitable for external dimmer
- Adjustable in height
- Colours directly adjustable at the lamp

The beautiful curved shape of the BLAZE pendant luminaire sets the scene for your dining area in a targeted manner and also becomes a special eye-catcher above the dining table. The modern and elegant luminaire has a SWITCH dimmer, which allows the brightness to be graduated from 100% to 50% and 25% via a conventional light switch. In addition, the luminaire has a switch that allows the light colour (warm white, neutral white or daylight white) to be adjusted. The design of the luminaire is rounded off by the simple colour combination of brushed aluminium and matt black. In addition, the luminaire features modern LED technology, which is characterised by high light quality and energy efficiency. Compared to conventional halogen lamps, up to 80% of energy costs can be saved. In addition, LED lamps help you benefit from a long service life, low heat generation and at the same time protect the environment.

Material construction

Metal · Brushed aluminium

Product dimensions

Width: 107cm
Height: 150cm
Depth: 15cm
Weight: 1,6kg

Technical data

Light source: SMD – LED (integrated)
Watt: 35W
Lumen: 1x 4300lm
Kelvin: 2300+3000+4000K
Color rendering (CRI): > 80 CRI
Lifetime: 30000H
Switching cycles: 15000x ON/OFF
