

Pendant

## MADISON – 342010107

incl. 1x SMD, 8W · 1x 900lm, 3000K

- **Adjustable height**
- **Dimmable via switch**
- **Ceiling mounting**
- **Not suitable for external dimmer**
- **IP20**

The MADISON pendant luminaire provides simple elegance with its modern design language. The graceful glass shade can be individually adjusted in height and sets the desired light accents. Placed centrally above the dining table, the pendant luminaire comes into its own as a central element. The integrated SWITCH dimmer also enables different brightness levels and provides suitable lighting moods. Thanks to the colour design in matt nickel with white glass shades, the luminaire sets modern accents and can be combined with existing furniture. In addition, the luminaire features modern LED technology, which is characterised by high light quality and energy efficiency. Compared to conventional halogen lamps, up to 80% of energy costs can be saved. In addition, LED light sources have a long service life, produce less heat and protect the environment.

### Material construction

Aluminium · Nickel mat  
Glass · White

### Product dimensions

Height: 150cm  
min. height: 95cm  
Diameter: 18cm  
Weight: 1,3kg

### Technical data

Light source: SMD – LED (integrated)  
Watt: 8W  
Lumen: 1x 900lm  
Kelvin: 3000K  
Color rendering (CRI): > 80 CRI  
Lifetime: 30000H  
Switching cycles: 15000x ON/OFF
