## OVERVIEW

A contemporary collection of light fittings that is unique in design and appearance with attractive shallow dished shades that are encrusted in crystal buttons in a Satin Brass or Satin Nickel finish. Every crystal is carefully attached to each ring to ensure the highest quality of product is produced. Again the framework has been kept minimalistic in order to enhance the identity of the shade.

Inspired Lighting Ltd. are continually developing and improving their products.  
Technical specifications subject to change without prior notice.
