CARTON INFORMATION

Number of Cartons	1
Carton Gross Weight (kg)	6.7kg

OVERVIEW

A beautiful range of drop glass flush fittings mounted on a Polished Chrome or Gold finish base, centrally filled with Asfour crystal spheres. The glass is frosted with a clear edge that catches the light for an impressive effect. An attractive optical illusion is created by the plate surrounding the spheres as the crystals reflect on it. Two sizes are available in either the round or square design and the complimenting wall lamp from the Atla collection is switched.
