OVERVIEW

The Marisa collection is reminiscent of middle-eastern pendant lantern designs, with the combination of the antique brass framework delicately weaved around the substantial amber crystal leaves. Unique to this range, the theme of the lantern design is carried from the frame along the suspension chain with the links alternating from the standard oval shape to a slightly wider flat waved link in keeping with the intended style of the fixtures. The Marisa pendants are available as a single 1 light pendant, 3 light single pendant or 3 light 3 drop round pendant, each utilising E27 lampholders. Marisa is an outstanding decor feature.
