OVERVIEW

Eve offers an artistic framework with a slight romantic touch and complimented with substantial oval and round shades that are made up of a silky wrinkled material with a clear inner lining. The range is available in both polished chrome and a bespoke anthracite finish combined with either a white or black shade. This range also offers a rarely found triple wall light that is designed to perfection. Eve is a neutral design with universal appeal that has been carefully crafted. A unique table and floor lamp completes this outstanding collection.
