CARTON GROSS WEIGHT (KG)	6.2kg
NUMBER OF CARTONS	1

OVERVIEW

Oakley is an impressive collection of illuminated halos of light available in a pendant or flush version. Striking and demanding attention, the range is made of a polycarbonate diffuser that emits a uniform bright white light. The pendant looks especially impressive as light shines from above and below the luminaire. The polished chrome metalwork adds a special finishing touch as it compliments the opal diffuser. Certainly state of the art in concept and design. All Mantra LED products carry a 3 year warranty.
