### OVERVIEW

This collection combines a uniform opal diffused LED flush fitting housed in a translucent shade. The shades have been engineered to ensure maximum light output yet opaque enough to create a distinct design that allows you to sense the interior. The flush ceiling fittings are available in four sizes with white or black shades. By purchasing an additional pendant kit all the flush fittings can be converted to a pendant providing even more versatility. Nordica Plafones is a modern timeless collection, that brings warmth and functionality with a Mediterranean style. All Mantra LED products carry a 3 year warranty.
