OVERVIEW

In keeping with Mantra's history of drawing inspiration from natural elements, the Take Bronze collection is comprised of slim tubular lengths angled at the end, reflecting the form of traditional bamboo cuts. The asymmetrical shapes alternated at different heights and directions are a distinct artistic feature, transforming the natural muse into an object of decoration. A bronze colour finish is in keeping with the colour of real bamboo shoots. The warm white integral LED's illuminate from the ends of the tubular arms, projecting light towards various surfaces. The comprehensive selection includes a pendant, fixed ceiling lights, table lamp, with wall and floor lamps available in two sizes.
