Ring

Ring Pendant 50cm Round, 23W LED, 3000K, 1600lm, White, 5yrs Warranty

DATA SHEET

MARKETING INFORMATION

Barcode	8435153261701
Brief Description	Ring Pendant Round 23W LED
Catalogue Description	LED Pendant

PHYSICAL CHARACTERISTICS

Colour Finish	Matt White
---------------	------------

MECHANICAL SPECIFICATION

Length (mm)	500mm
Width (mm)	160mm
Minimum Drop (mm)	350mm
Maximum Drop (mm)	1500mm
Materials Used	Aluminium, Acrylic, Metal

ENERGY SPECIFICATION

Energy Class	A++
--------------	-----

LAMP SPECIFICATION

No: of Lamp	1
Lamp Socket	Integral LED
Recommended Lamp	Integral LED
Max Wattage Lamp (W)	23W
Lamp Included	Yes - Integrated
Type of Lamp Included	Integrated LED
Colour Temperature (K)	3000K Warm White

LED SPECIFICATION

Average Life of LED (hrs)	20000hrs
---------------------------	----------

OPTICAL SPECIFICATION

System Flux (lm)	1600lm
CRI	=80

ELECTRICAL & SAFETY SPECIFICATION

Protection Class	Class 1 - Earth Connection Required
Transformer/Driver Details	JLL, JW-37-800-0300, DC:0.3A/60-80.0V
Total Power Consumption (W)	23W
Input Voltage (V)	100-240V~50/60Hz

OVERVIEW

Ring is a clean and original concept that arises from the need to illuminate a direct space, creating an object of minimal expression in the form of an appealing and functional product. The design inspiration has been taken from a zen philosophy and its belief in the spirituality of simplicity and clear space. This collection utilises the ring shape as a form, the minimalistic sculptural frame where light is born, directing it to the space generated at the centre of its structure. The pendants are composed of aluminium injection, a material that provides a lightweight strength to safely house the high performance 3000K LED technology. Available in three colour finishes; bronze, silver and white, Ring generates a personal warm environment without losing efficiency and functionality.
