The fun table lamp LOVELEY sets special accents in your home. The table lamp in the unusual smiley look is a real eye-catcher when switched on or off. This unusual lamp can enchant in the youth room on the bedside table as well as in the living area on the chest of drawers. The lamp is equipped with a cord switch, which makes it convenient to switch it on and off. The ceramic base is designed in yellow and the textile shade in black, so that it becomes a real highlight in your interior. ☒ For energy-saving lighting, it is recommended to use an LED illuminant. These are an optimal alternative to conventional halogen lamps and stand for a high quality of light and energy savings of up to 80%. In addition, LED lamps help you benefit from a long service life, low heat generation and at the same time protect the environment.
