The ROUTE ceiling light features a modern and elegantly curved design. When correctly placed, the light is a real eye-catcher that stylishly enhances any living area. The two-bulb ROUTE ceiling light emits a soft, warm white light, which makes it ideal for illuminating medium-sized living rooms or bedrooms. The simple matt black colour scheme offers numerous combination options. The light also features modern LED technology, which is characterised by excellent lighting quality and energy efficiency. Compared to conventional halogen lamps, up to 80% of energy costs can be saved. In addition, LED light sources have a long service life, produce less heat and are environmentally friendly.
