

Ceiling lamp

ATRIA – R67041932

incl. 1x SMD LED, 21W · 1x 2500lm, 3000 - 6000K

- Remote control
- Integrated dimmer
- Light color infinitely variable
- Night light
- Not suitable for external dimmer
- Starlight effect
- Wall- & ceiling mounting
- Memory function
- IP20

Simple design practical features! The ATRIA ceiling luminaire with Starlight cover offers a wide range of application possibilities. The light colour and the light intensity can be conveniently controlled via a remote control. In addition, the lamp comes with a night light and a practical memory function. Thanks to the discreet look in white with black accents on the edge, the ceiling light makes integration into existing furnishing concepts wonderfully easy. In addition, the luminaire features modern LED technology, which is characterised by high light quality and energy efficiency. Compared to conventional halogen lamps, up to 80% of energy costs can be saved. In addition, LED light sources have a long service life, produce less heat and protect the environment.

Material construction

Plastic · Black mat

Product dimensions

Height: 7cm
Diameter: 48cm
Weight: 1,27kg

Technical data

Light source: SMD – LED (integrated)
Watt: 21W
Lumen: 1x 2500lm
Kelvin: 3000 - 6000K
Color rendering (CRI): > 80 CRI
Lifetime: 40000H
Switching cycles: 50000x ON/OFF
