

Ceiling lamp

## TWISTER – R67183108

incl. 1x SMD, 30W · 1x 4500lm, 2700 – 6000K

- Remote control
- Integrated dimmer
- Slewable
- Light color infinitely variable
- Dimmable via switch
- Not suitable for external dimmer
- Wall- & ceiling mounting
- Memory function
- IP20

The modern light elements of the TWISTER ceiling light provide decorative and atmospheric lighting. Due to the movable elements of the luminaire, a flexible and original positioning of these is possible. The remote control included in the scope of delivery dims the light and adjusts the light colour of the luminaire continuously. The straight-lined design in matt brass and matt black offers numerous combination possibilities in your interiors. In addition, the luminaire features modern LED technology, which is characterised by high light quality and energy efficiency. Compared to conventional halogen lamps, up to 80% of energy costs can be saved. In addition, LED light sources have a long service life, produce less heat and protect the environment. ☒

### Material construction

Metal - Brass mat

### Product dimensions

Width: 90cm  
Height: 8cm  
Depth: 24cm  
Weight: 0,852kg

### Technical data

Light source: SMD – LED (integrated)  
Watt: 30W  
Lumen: 1x 4500lm  
Kelvin: 2700 – 6000K  
Color rendering (CRI): > 80 CRI  
Lifetime: 30000H  
Switching cycles: 15000x ON/OFF
